

How To Pray With Your Wife

Curl Up.

In bed, before sleep, let her rest her head on your curled arm.

Make it Short and Sweet.

Thank Jesus for His gift of marriage,
Or His gift of her to you,
Or thank Jesus for her and that she belongs to you,
Or etc.

Now Pray for Your Wife.

That she would experience the presence of the Lord,
Or that she would have time for a quiet time with Him,
Or pray for her tomorrows,
Or that she and you would have a great marriage,
Or etc.

Lastly, Pray for Yourself.

That you would be a better husband,
That you would love her more,
Or etc.

Maybe

She will pray for you. Good! If not, that's o.k.
