

GRACE BE WITH YOU ALL

HEBREWS 13:25

How did you see God working in your life this week? (Romans 1:11, 12)

BACKGROUND: As we finish our study on Hebrews, remember that grace is God's power (II Corinthians 12:9), and its opposite is our works (or man's power).

TO STRENGTHEN YOUR HEART to have authentic worship of the Lord without barriers of false charms (such as rituals or strange teaching) to hurdle. With grace, I can go straight to God and enjoy His presence. TO GO TO THE FRONTLINES of the battle of all battles and join the fight for lost souls, overcoming the embarrassment of social stigma and rejection of the world. When, by His grace, the Lord uses me to bring an unbeliever to faith in Jesus, the joy I feel is unsurpassed. (**Hebrews 13:13, fn 13:13, Colossians 4:2-6, fn 4:4, Romans 10:14, 15, fn 10:14, fn 10:15, Daniel 12:3 fn 12:3**) *How could you be prepared to lead someone to Christ?*

TO LONG TO BE WITH JESUS face to face forever. As I take time to experience the presence of the Holy Spirit, with the Living Word teaching me and giving me his joy, His love, and His peace, my love for Jesus grows. To know Jesus' presence now, is only a micro wonderment of the joys I will share with Him in my heavenly city, yet to come. (**Hebrews 13:14, fn 13:14, Hebrews 11:13-16, fn 11:13-16, Philippians 3:20, 21, fn 3:20, Ephesians 1:13, 14, fn 1:13, 14, Hebrews 13:20, 21, fn 13:21**) *How would you, by faith and having God's grace, lead others to have a taste of the heavenly city to come?*

Are you taking time to experience the presence of the Holy Spirit with the Living Word teaching you and giving you His joy, His love, and His peace?
